LOCATION ~ The 21st Annual Finger Lakes International Wine & Spirits Competition (FLIWC) was held June 15-17 and June 21, 2021. All proceeds from the competition benefit the children and families affected by cancer and sickle cell anemia served by Camp Good Days & Special Times.

Started 21 years ago, The Finger Lakes International Wine & Spirits Competition has become one of the largest wine competitions in the world to be run by a nonprofit organization.

Significant changes made to the competition last year remained in place to make sure that the health and safety of all involved was at the forefront due to COVID-19. Over 1,750 wines and spirits were entered and then blind judged by a distinguished group of judges composed of sommeliers, wine makers, wine writers, experienced spirits judges, and educators. They awarded bronze, silver and gold medals, and where it was unanimous, double gold. The wine portion of the competition was held down at the Camp Good Days recreational facility on Keuka Lake on June 15-17, 2021 and the spirits portion of the competition was held at the headquarters office in Mendon, NY on June 21, 2021.

All wines and spirits were presented blind to the panel of judges with only the varietal or blend identified. No indication of geography, vintage, or price point is shared, ensuring total unbiased evaluation given to each wine and spirit. The judges award them unanimous Double Gold, Gold, Silver, or Bronze medals.

The event was a success thanks to the many volunteers, the wonderful judges, and the key people who helped make the competition possible.

The following Camp Good Days Wine & Spirits Auction Dinner is scheduled for November 6, 2021, but will potentially be rescheduled to an online auction. The Camp Good Days Auction will feature only medal winning wines and spirits from the competition along with other valuable items.
